

Spectrum Opens Kitchen & Bath Showroom in Boca

THE PLACE WHERE VISIONS ARE REALIZED

Spectrum Fine Cabinetry opens its doors in Boca Raton, bringing exceptional customized designs, fine craftsmanship, and an unmatched level of quality, service and expertise to the South Florida market. The showroom offers an incomparable immersion for those with an elevated design aesthetic geared to a discerning clientele of designers, developers and luxury consumers.

As a brand known for innovative cabinetry creations for kitchens, bathrooms and wardrobe closets, Spectrum brings to the booming Boca design market a high-end shopping experience like no other. The showroom is an elevated design masterpiece, encompassing nearly 5,000 square feet of stunning vignettes that capture the very essence of Italian luxury. Here, imagination is given free rein, and 100% customized designs are tailored to fit each client's specific needs and preferences.

Founded in 1976, Spectrum's production facilities are nestled in the heart of Italy's furniture district and benefit from the talents of multi-generational artisans who take immense pride and care with their work. Time-honored techniques and solid woodworking combine to create cabinetry of unparalleled quality and beauty. Each client represents a one-of-a-kind work order – no two jobs are ever the same. Every detail is carefully considered to ensure a pleasing finish as well as full functionality with Spectrum advisors offering guidance every step of the way. A wealth of knowledge equips the Spectrum staff with unparalleled expertise in managing complex logistics and catering to the most ambitious projects.

"Our showroom is a concept house where clients with a penchant for elevated style come to be inspired," said Michael Nakash, Owner of Spectrum Fine Cabinetry. *"A centralized location for designs made in Italy and a source for artisans where clients get to curate their own vision with the expertise and guidance of our award-winning design team. Whether it's a renovation, new construction or transformation - Spectrum offers customized solutions with impeccable craftsmanship, timeless qualities and exceptional finishes. We promote designs, not brands, and hence no SKUs - everything we do is original, bringing a tailor-made approach to every project."*
